DMA Band Class Links

Cadets and Family members,

The following links will connect you to your teachers’ classes! You will need to head to [www.band.us](http://www.band.us) first and set up an account if you haven’t done so already. If you are part of the Commandant’s Alert system you should be signed up and ready to start adding classes. Once signed up make sure you are part of the Commandant’s Alert and your “Class of” group below. Cadets should be signing up for their classes through their own accounts as this is how they will be receiving information and direction directly from their teachers. Cadets, when you set up your account please make sure your name is displayed clearly so your teacher can identify you. The Band app is available on smart phone devices as well.
